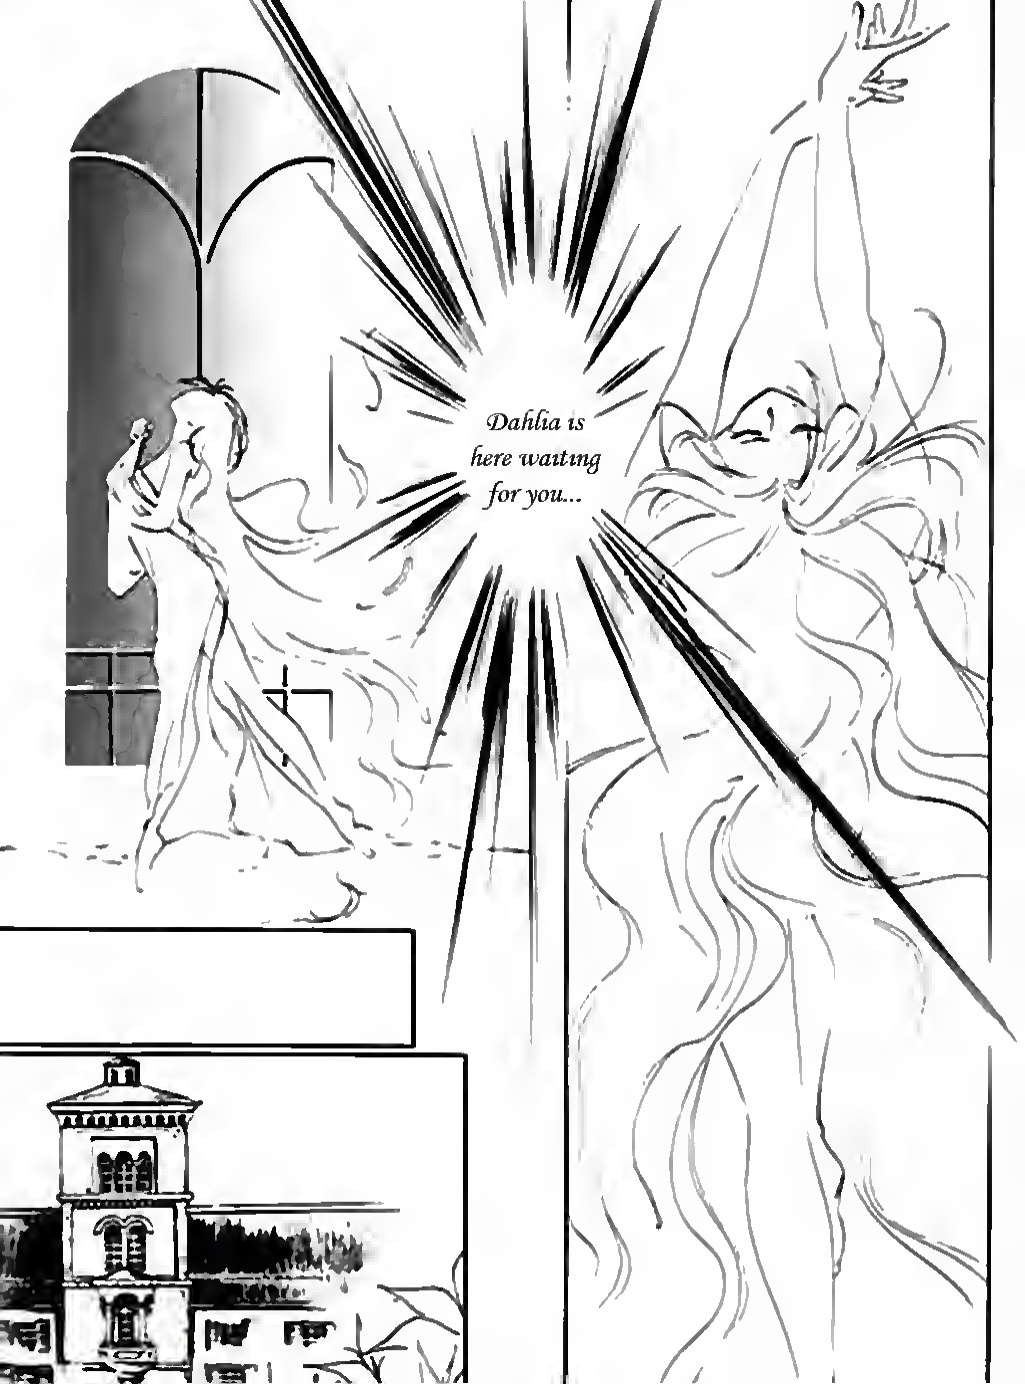
SORRY FOR
THE WAIT!

Where are you now?
I miss you...

Because of love you sealed me
Your painting is here!
Please find me!



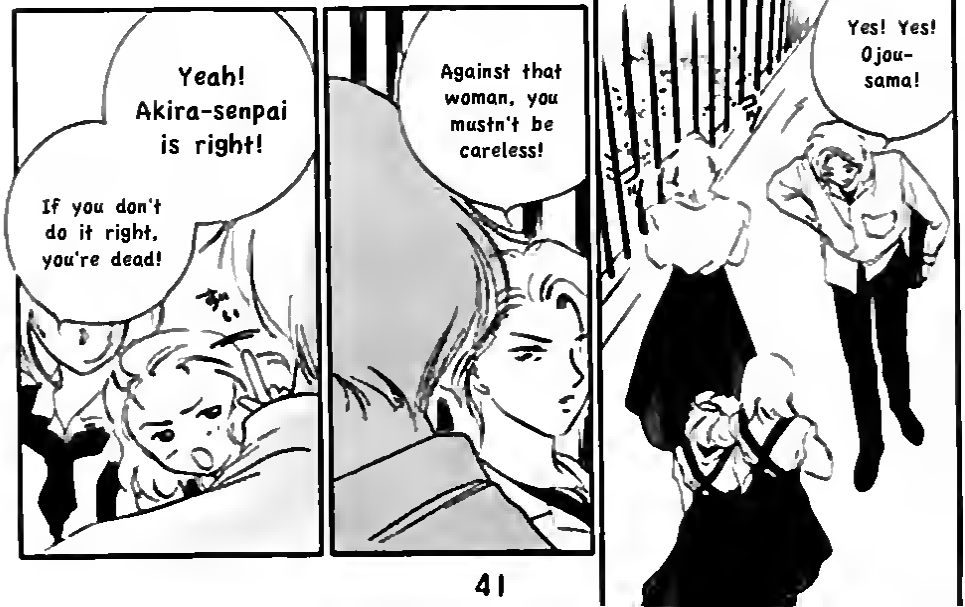
Dahlia is
here waiting
for you...

Lia D. Green
Hmph, you really know how to act!
I don't care if she's a mixed blood or bilingual.
I really hate her!
Me too!
I also want revenge for East High's Sasaki and his friends!

What a cruel way to kill!
Maybe that woman's in the yakuza?
Just now...
Did she look at us?
I feel that...she's laughing...
Scary!
That girl, her name is Lia?

Just my taste!
A person's beauty is the most important.
If I fall for her, what will you do?
You need to do your job well!
Do you understand?
Anyway, just do your job!

You?
Wasn't it Dawn Institution and East High's dean who covered it up?
Am I right?
I intervened last time just before the police started to investigate.
You listen! Don't talk to me that way!



Yeah! Akira-senpai is right!
If you don't do it right, you're dead!
Against that woman, you mustn't be careless!
Yes! Yes! Ojou-sama!

Hmph!
Hey! wait for me~!
Ah Honogura-senpai!
Kasuyo, don't mind him!
You and the newly trans-
similar...
Lia...looks like you like Etou,
because the air near you is cold, but once you met Etou it became warm.
Don't say that you have more tricks up your sleeve!
After Etou saw your message, you went to the museum.
That's what happened before, right?
